MEMORANDUM FOR: Director of Personnel

SUBJECT : Revised Recruitment Brochure

Following receipt of your memorandum dated 16 February 1966 we checked the files to determine the whereabouts of the draft recruitment brochure which apparently was hand carried to Mr [] last fall. We have not yet found the brochure and we do not know if the Director or Deputy Director has seen it. I explained this to Mr. Bannerman who requested that you prepare another brochure for presentation to the DDCI. We have a draft copy if you should need one. The draft was submitted to the four Directorates and the Director of Security by your transmittal memorandum dated 17 August 1965.
